1. Welcome to Nomura iGlobal

This User Manual is intended to provide users a comprehensive overview of the functionalities available in *Nomura iGlobal*.

Nomura iGlobal itself is a trading tool that allows users to trade and place orders instantly; review account details and status; access to live price and charts of different markets; as well as obtain the latest news and research.

With this user manual, users will be able to understand the different modules available in *Nomura iGlobal*.

2. Understanding the Basics

a. Activate Your Login

Figure 2-1 Nomura iGlobal Login Page

This module allows you to activate and select your preferred ID upon first login

Activate Login:

1. Click on “**Activate Login**” link at Nomura iGlobal online trading system login page. *(Refer to Figure 2-1)*
2. Enter your activation id in the “**Activation ID**” text box. *(Refer to Figure 2-2)*
3. Enter first company password in the “**First Company Password**” text box.

Figure 2-2 First Company Password

4. Click on “**Submit**” button.

***Note:** *If you wish to cancel and start all over again, click on “**Cancel**” button.*
5. A page asking for second company password will appear. Enter the second company password in the “**Second Company Password**” text box. *(Refer to Figure 2-3)*

Figure 2-3 Second Company Password

6. Click on “**Submit**” button. (Refer to Figure 2-3)

***Note:** If you wish to cancel and start all over again, click on “**Cancel**” button.

7. A page asking for your desired login ID, new password, security question and answer will appear. Enter your desired Login ID in the “**Desired Login ID**” text box and click “**Check Availability**” to check for the availability of login. Enter your new password in the “**New Password**” text box, re-confirm your password in the “**Re-type Password**” textbox; select your security question from the “**Security Question**” dropdown list and type in your answer in the “**Your Answer**” textbox. (Refer to Figure 2-4)

Figure 2-4 Select Desired Login ID

8. Click on “**Submit**” button.

***Note:** If you wish to cancel and start all over again, click on “**Cancel**” button.

9. Upon successful activation of ID, a confirmation box will appear:

Click “**Ok**” button to acknowledge the reset of password.

b. Login

Login: (Refer to Figure 2-1)

- a. Enter login id in the “**Login id**” text box.
- b. Enter password in the “**Password**” text box.
- c. Click on “**OK**” button.

** **Note:** If you wish to cancel and start all over again, click on “**Cancel**” button.*

Upon successful login, you will see the Attention module of Nomura iGlobal.

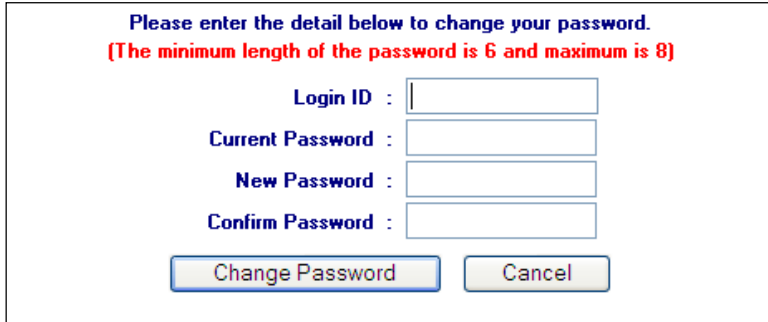

Figure 2-5 Nomura iGlobal Online Trading System Attention Module

c. Change Password

This module enables user to change their Nomura iGlobal login password. Upon 1st time login, please change your login ID.

***Note:** - Minimum length of password is 6 and maximum length is 8.
- Last 6 passwords are not allowed to reuse.

Please enter the detail below to change your password.
(The minimum length of the password is 6 and maximum is 8)

Login ID :

Current Password :

New Password :

Confirm Password :

Figure 2-6 Nomura iGlobal Change Password Page

Change Password:

1. Click on “**Change Password**” button at Nomura iGlobal online trading system login page. (Refer to Figure 2-1 on Pg 4)
2. Enter login id in the “**Login id**” text box. (Refer to Figure 2-6)
3. Enter current password in the “**Current Password**” text box.
4. Enter new password in the “**New Password**” text box.
5. Re-enter the new password in the “**Confirm Password**” text box.
6. Click on “**Change Password**” button.
- * Note:** If you wish to cancel and start all over again, click on “**Cancel**” button.
7. Upon successful change of password, a confirmation box will appear:

Click “**OK**” to acknowledge on the change of password.

d. Forget Password

This module enables users who still remember the answer to their security question to reset their Nomura iGlobal password.

***Note:** Nomura iGlobal Administrator needs to change the user password status to “**Reset Status**” before the users can proceed to reset their password.

Figure 2-7 Forget Password Page

1. Click on “**Forget Password?**” link at Nomura iGlobal online trading system login page. (Refer to Figure 2-1 on Pg 4)
2. Enter user id in the “**User ID**” text box. (Refer to Figure 2-7)
3. Click on “**Submit**” button.

***Note:** If you wish to cancel and start all over again, click on “**Cancel**” button.

4. A page showing your security question will appear. Enter your answer in the “**Your Answer**” text box (Refer to Figure 2-8)

Figure 2-8 Security Question

5. Click on “**Submit**” button.

***Note:** If you wish to cancel and start all over again, click on “**Cancel**” button.

6. A page asking for your new password will appear. Enter your new password in the “**New Password**” text box and re-confirm your password in the “**Re-type Password**” textbox. (Refer to Figure 2-9)

Figure 2-9 Forget Password Module

7. Click on “**Submit**” button.

Note: If you wish to cancel and start all over again, click on “Cancel**” button.*

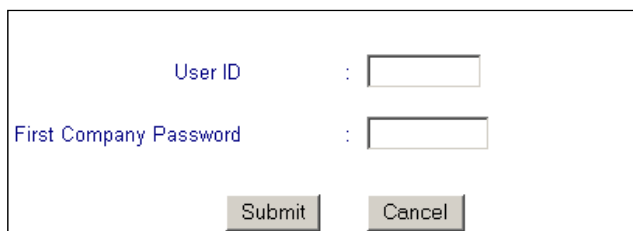

8. Upon successful change of password, a confirmation box will appear:

Click “**Ok**” button to acknowledge the change of password.

e. Reset Password

This module enables users who cannot remember the answer to their security question to reset their Nomura iGlobal account password.

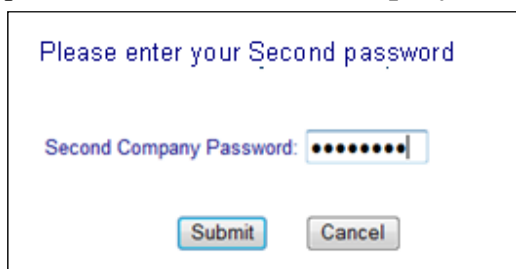

The screenshot shows a form with two text input fields. The first field is labeled "User ID" and the second is labeled "First Company Password". Below the fields are two buttons: "Submit" and "Cancel".

Figure 2-10 Reset Password Page

1. Click on “**Reset Password**” link at Nomura iGlobal online trading system login page. (Refer to Figure 2-1 on Pg 4)
2. Enter user id in the “**User ID**” text box. (Refer to Figure 2-10)
3. Enter first company password in the “**First Company Password**” text box.
4. Click on “**Submit**” button.

***Note:** If you wish to cancel and start all over again, click on “**Cancel**” button.

5. A page asking for second company password will appear. Enter the second company password in the “**Second Company Password**” text box. (Refer to Figure 2-11)

The screenshot shows a form with a text input field labeled "Second Company Password:" containing masked characters (dots). Below the field are two buttons: "Submit" and "Cancel".

Figure 2-11 Submit second password

6. Click on “**Submit**” button. (Refer to Figure 2-11)
- *Note:** If you wish to cancel and start all over again, click on “**Cancel**” button.
7. A page asking for your new password, security question and answer will appear. Enter your new password in the “**New Password**” text box, re-confirm your password in the “**Re-type Password**” textbox; select your security question from the “**Security Question**” dropdown list and type in your answer in the “**Your Answer**” textbox. (Refer to Figure 2-12)

We have successfully verified your request.
Please enter all the fields below to update the password and new answer

New Password:

Re-type Password:

Security Question: What is your pet name ?

Your Answer:

Figure 2-12 Security Question

8. Click on “**Submit**” button.

Note: If you wish to cancel and start all over again, click on “Cancel**” button.*

9. Upon successful reset of password, a confirmation box will appear:

Click “**Ok**” button to acknowledge the reset of password.

f. Attention Module

Figure 2-13 Attention Module

This module displays the following information:

- User name
- User last login date and time
- Announcement/Messages posted by your company's administrator

To access to this module, click on “**ATTENTION**” at the top menu bar. (*Refer to*

Figure 2-13)

g. Stocks Module

The screenshot shows the 'STOCKS' module interface. At the top, there are navigation tabs: 'ATTENTION TRADE', 'ORDERS', 'ACCOUNTS', 'STATIC PRICE', 'STREAMING PRICE', 'CHART', and 'RESEARCH'. The 'STOCKS' tab is highlighted. Below the tabs, there are various controls including 'Exchanges: SGX HKEX NYSE NASD AMEX IDX', 'Stocks: A B C D E F G H I J K L M N O P Q R S1 S2 T U V W X Y Z Others', and a 'Counter' field. A table of stock data is displayed with columns for 'Top 30 Volume', 'Rem', 'A', 'Last', 'Chg', '%Chg', 'BVol (K)', 'Buy', 'Sell', 'SVol (k)', 'Vol (k)', 'Open', 'High', 'Low', and 'PrvClose'. At the bottom, there are fields for 'Client Code: DM101', 'Stock Symbol', 'Price', 'Settlement Currency', 'Quantity', and 'Password'. A yellow banner at the bottom indicates 'Buy Limit Balance: THB 49,000' and 'Sell Limit Balance: THB 50,000'.

Figure 2-14 STOCKS Module

This module enables you to trade and place orders, review account details and status, access to live price and charts.

To access to this module, click on “**STOCKS**” at the top menu bar. (Refer to Figure 2-14)

h. Log out of Nomura iGlobal

Figure 2-15 Nomura iGlobal Online Trading System

Log Out:

1. Click on “**LOGOUT**” at the top menu bar of the page. (Refer to Figure 2-15)

Upon successful logout, page will be directed to *Nomura iGlobal Online Trading System* login page.

3. Getting Started with Nomura iGlobal

a. Trade

This module consists of two sub-modules:

- Buy/Sell
- TR Limits

i. Buy / Sell

This module enables you to submit trades in different exchanges. Your buy and sell limit balance updated after each trade submission.

Figure 3-1 Buy/Sell Module

Submit Trade:

1. Click on **“Search”** button to search for the stock (*refer to Search Stock steps on pg 17*) or alternatively enter stock symbol into the **“Enter Stock Symbol”** text box.
2. Click on either **“Buy”** or **“Sell”** radio button under **“Action”**.
3. Enter the desired price in the **“Price”** text box.
4. Enter the number of shares in the **“Number of Shares”** text box.
5. Click on **“Ok”** button.

Note: If you wish to clear the data entry, click on **“Clear Order” button.*
6. An order confirmation page will appear:

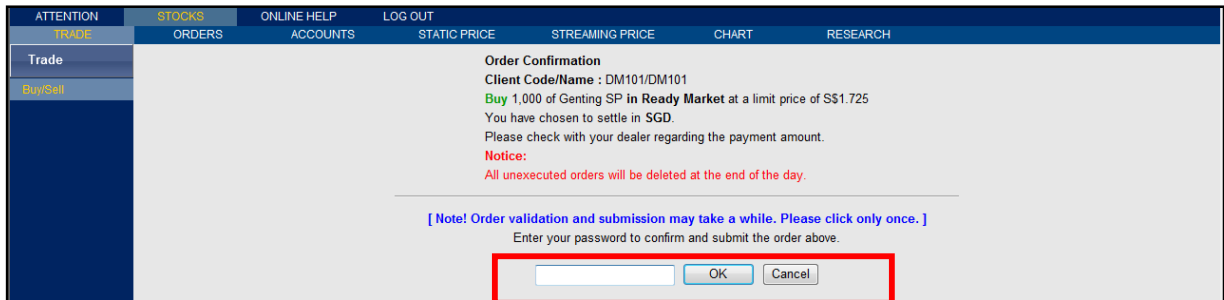

Figure 3-2 Order Confirmation

Check through the order details.

7. Key in your password in the text box and click on “Ok” button. (Refer to Figure 3-2)

***Note:** To cancel the order, click on “CANCEL” button.

8. After clicking on “Ok” button at the order confirmation page, an acknowledge box will appear and page will be directed to *ORDERS > Working Orders* page:

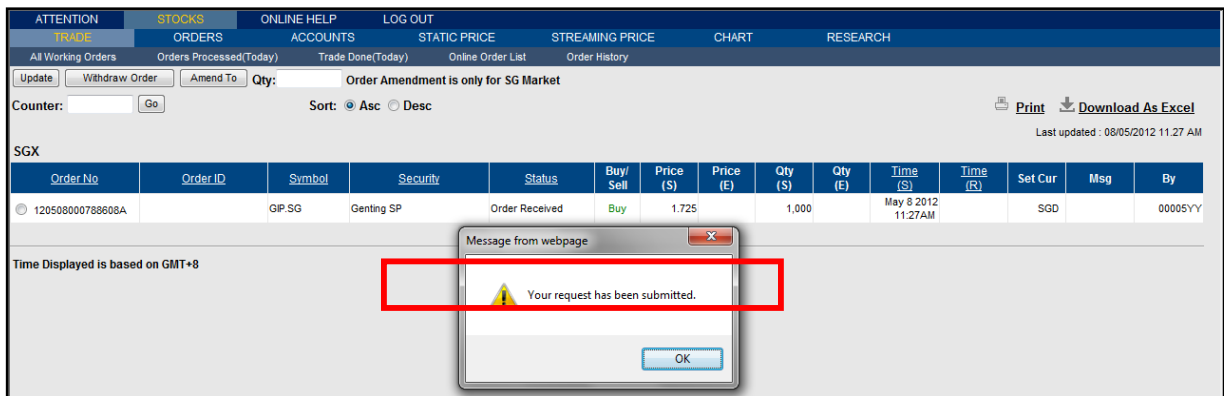

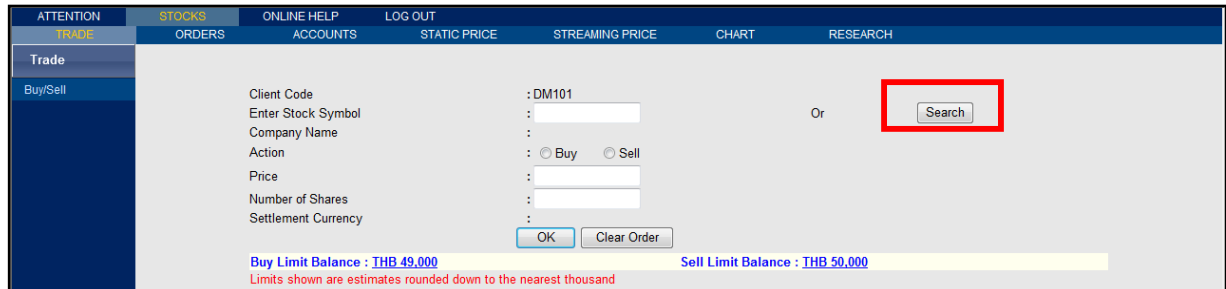

Figure 3-3 Successful Submission of an Order

Click on “Ok” button to acknowledge the submission of trade.

Search Stock:

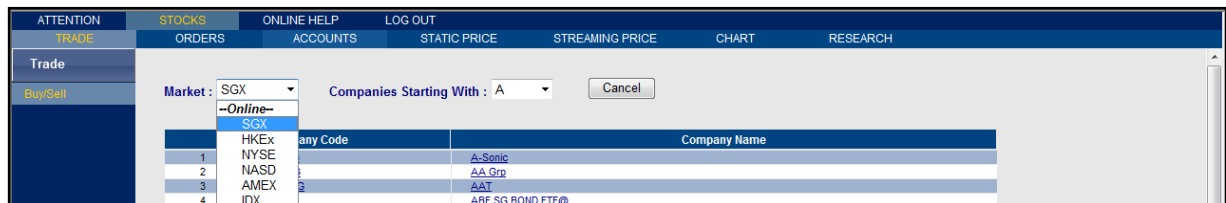

1. Click on “**Search**” button to search for the stock.

The screenshot shows the trading interface with the search form. The 'Search' button is highlighted with a red box. The form includes fields for Client Code (DM101), Enter Stock Symbol, Company Name, Action (Buy/Sell), Price, Number of Shares, and Settlement Currency. There are also 'OK' and 'Clear Order' buttons. Limit balances are shown at the bottom: Buy Limit Balance: THB 49,000 and Sell Limit Balance: THB 50,000. A note states: Limits shown are estimates rounded down to the nearest thousand.

Figure 3-4 Search Stock

2. Select a market from the “**Market**” drop down list. Only markets for which you have access would be available for selection.

The screenshot shows the trading interface with the market selection dropdown menu open. The dropdown is open, showing options like SGX, HKEx, NYSE, NASD, AMEX, and IDX. The 'Companies Starting With' dropdown is set to 'A'. A 'Cancel' button is visible. A table of company names is shown below the dropdown.

any Code	Company Name
1	A-Sonic
2	AA Grp
3	AAT
4	ABF SG BOND ETF@

Figure 3-5 Select Market

3. Select the alphabet which the company name starting with from the “**Companies starting with**” drop down list.
 4. Click on either the desired stock’s “**COMPANY CODE**” or “**COMPANY NAME**”.
- *Note:** To cancel and returns to the previous page, click on “**CANCEL**” button.
5. Selected stock symbol will appear at the trading page.

b. Orders

This module enables you to view your orders. There are 5 sub-modules under this Order module:

- **Working Orders:** Display orders that are in queue for the day.
- **Order Processed (Today):** Display orders that have been processed for the day.
- **Trade Done (Today):** Display orders that are done for the day.
- **Online Order List:** Display all orders for previous trading day
- **Order History:**

To access to this module, click on “**STOCKS**” > “**ORDERS**” at the top menu bar.

Order No	Order ID	Symbol	Security	Status	Buy/Sell	Price (\$)	Price (€)	Qty (\$)	Qty (€)	Time (S)	Time (€)	Set Cur	Msg	By
120508000788608A		GP.SG	Genting SP	Order Received	Buy	1.725		1,000		May 8 2012 11:27AM		SGD		00005YY

Figure 3-6 Order Module

***Note:** The steps to Search Order are similar for the 5 different sub-modules (Working Orders, Order Processed (Today), Trade Done (Today), Online Order List and Order History) under the Order Status module.

Search Order: (Refer to Figure 3-6)

1. Enter search criteria (**Counter**).
2. Click on “**Go**” button.
3. If found, details will be displayed in the table below.
4. To update the table, click on “**Update**” button.

- Tip:**
- To print the records, click on “**Print**” at the top right corner of the page.
 - To save the records to your computer, click on “**Download As Excel**” at the top right corner of the page.
 - To sort the records, click on “**Asc**” or “**Desc**” radio button at the top right corner of the page.

Withdraw Order: (Refer to Figure 3-6)

1. Click on “**Order No**” radio button of order to be withdrawn.

2. Click on “**Withdraw Order**” button.
3. An order withdrawal confirmation page will display:

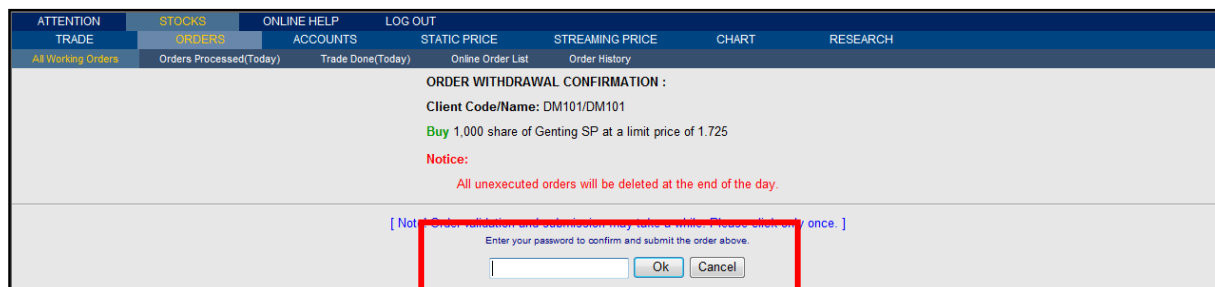

Figure 3-7 Withdrawal Confirmation

Check through the withdrawal details.

4. Key in your password in the text box and click on “**Ok**” button.
Note: To cancel your action, click on “CANCEL**” button.*
5. After clicking on “**Ok**” button at the order withdrawal confirmation page, an acknowledge box will appear and page will be directed to *ORDERS > Working Orders* page:

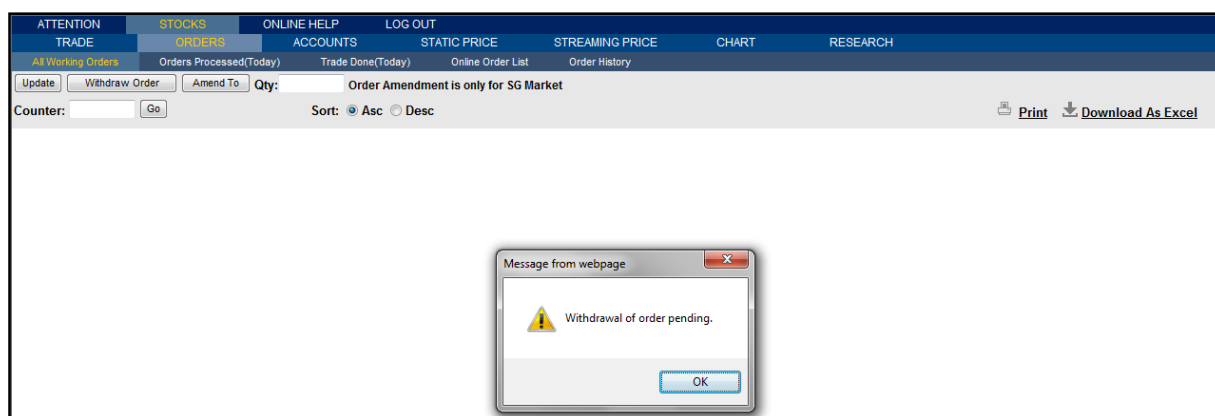

Figure 3-8 Successful Withdrawal of an Order

Click on “**Ok**” button to acknowledge the withdrawal of trade.

Amend Order: (Refer to Figure 3-6)

1. Click on “**Order No**” radio button of the order to be amended.
2. Enter the quantity to be amended to in the “**Qty**” text box.
3. Click on “**Amend To**” button.
4. An order amendment confirmation page will display:

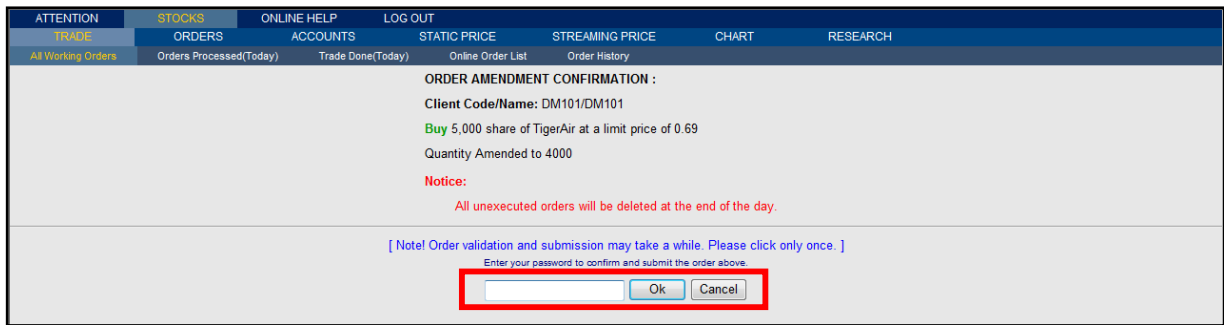

Figure 3-9 Amendment Confirmation

Check through the amendment details.

5. Key in your password in the text box and click on “Ok” button.

***Note:** To cancel your action, click on “CANCEL” button.

6. After clicking on “Ok” button at the order amendment confirmation page, an acknowledge box will appear and page will be directed to *ORDERS > Working Orders* page:

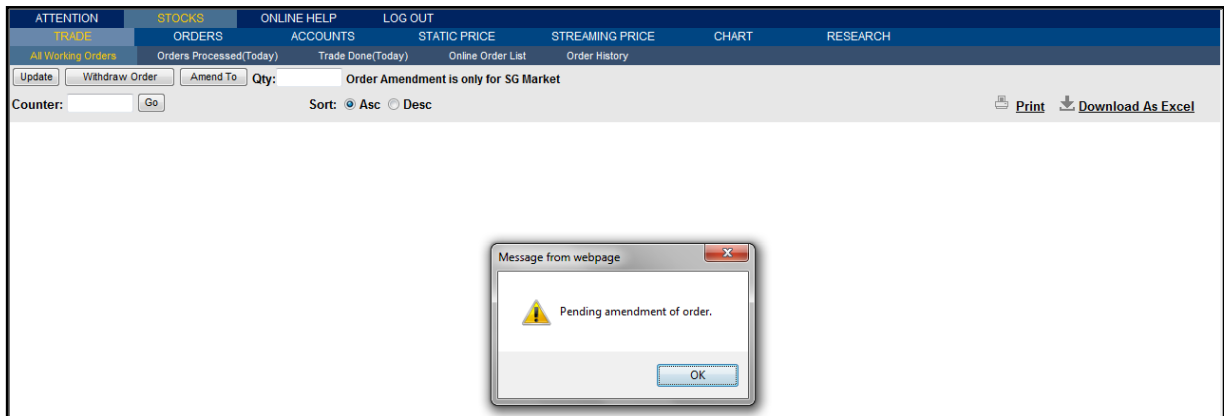

Figure 3-10 Successful Amendment of an Order

Click on “Ok” button to acknowledge the amendment of trade

Update Order Page: (Refer to Figure 3-6)

1. Click on “Update” button at the top left corner the page.
2. The page will refresh to provide update on the orders.

c. Accounts

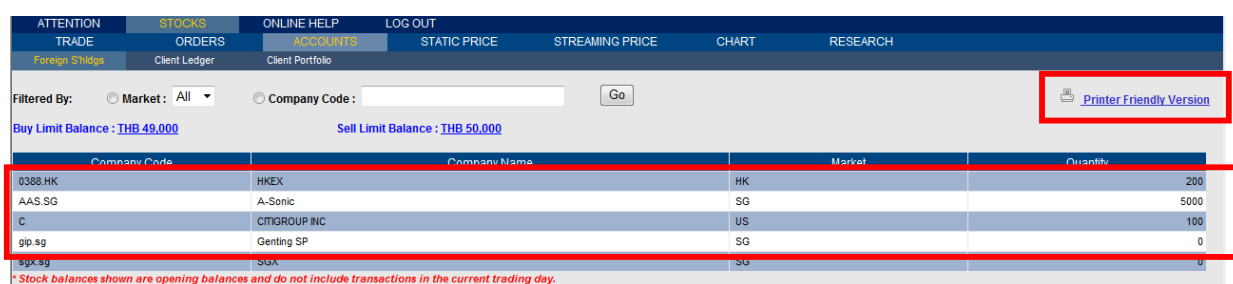

This module consists of the following sub-modules:

- Foreign Share Holdings

i. Foreign Share Holdings

This module enables you to view the foreign share holdings details. The holdings can be filtered by Market or Company Code.

To access to this module, click on “STOCKS” > “Accounts” > “Foreign S’hldgs” at the top menu bar.

Company Code	Company Name	Market	Quantity
0388.HK	HKEX	HK	200
AAS.SG	A-Sonic	SG	5000
C	CITIGROUP INC	US	100
gip.sg	Genting SP	SG	0
sgx.sg	SGX	SG	0

Figure 3-11 Foreign Share Holdings Module

Filter Foreign Share Holdings: (Refer to Figure 3-11)

- Select “Market” or “Company Code” radio button. Filter by market or enter the relevant company code of the stock.
- Click on “Go” button.
- If found, details will be displayed in the table below.

 **Tip:** To print the records, click on “Printer Friendly Version” at top right corner of the page.

ii. Client Ledger

This module enables you to check the available ledger details. Information that will be displayed is Currency Code and Amount.

Figure 3-133 Client Portfolio Module

View Client Portfolio: (Refer to Figure 3-113)

1. To access to this module, click on “STOCKS” > “Accounts” > “Client Portfolio” at the top menu bar.
2. If found, details will be displayed in the table above.

d. Static Price

This module enables you to view static prices and submit orders. The functions available in this module are very similar to those at Streaming Price module. To access to this module, click on “STOCKS” > “STATIC PRICE” at the top menu bar.

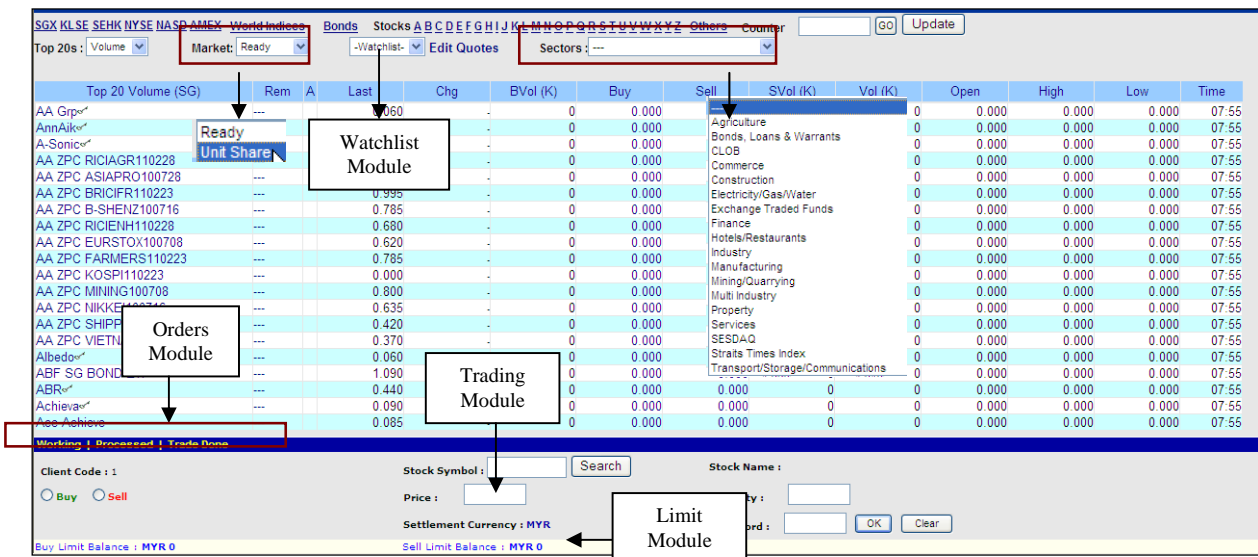

Figure 3-11 Static Price Module

Tip: - Mouse over some of the column headings to view their definition.

TRADING MODULE:

1. Click on the stock name or click on “Symbol” link to search for the stock (refer to Search Stock steps on pg 17)
2. Select either the “Buy” or “Sell” radio button.
3. Enter the desired price in the “Price” text box.
4. Enter the desired amount of shares in the “Quantity” text box.
5. Enter the password in the “Password” text box.
6. Click “Ok” button

***Note:** If you wish to clear the data entry, click on “Clear” button.

WATCHLIST MODULE:

There is a total of 10 watchlists for SGX, 5 watchlists for other markets. Each watchlist can display up to a maximum of 40 counters. To edit a watchlist, click on “**Edit Quote**” link and the edit watchlist page will be displayed. (Refer to Figure 3-11)

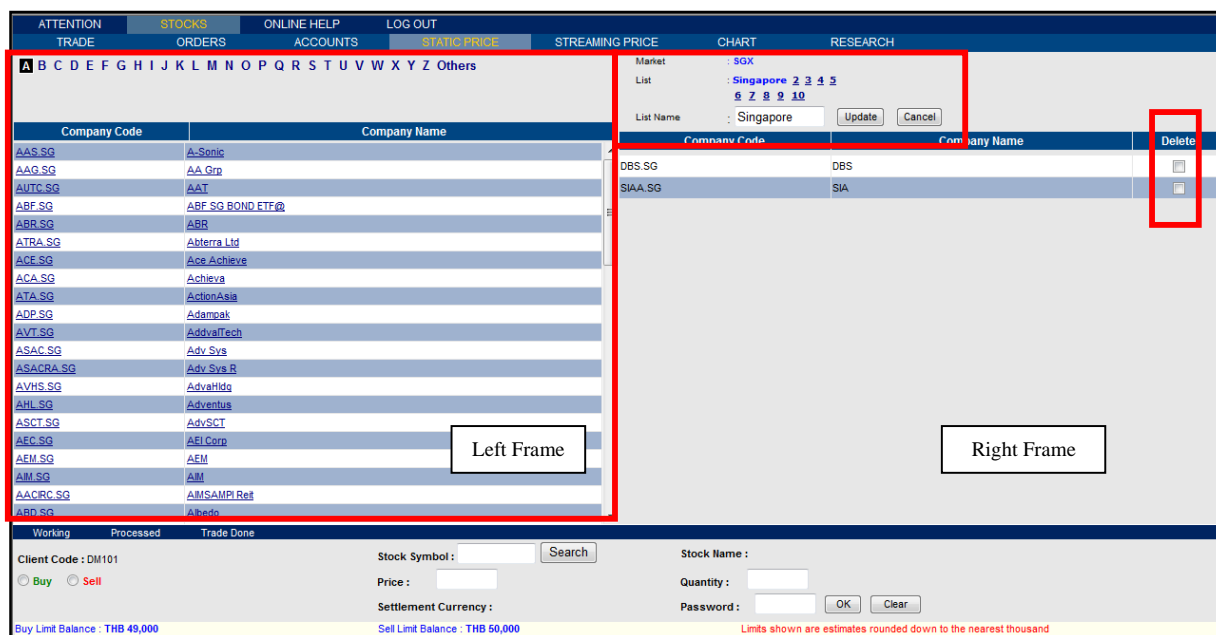

Figure 3-145 Edit Watchlist

Add Counters

1. Click on the watchlist name under “**List**” at the top section of the right frame.
2. Select the counters to be added at the left frame by clicking on either the company code or company name. The selected stock will appear under the selected watchlist at the right frame
3. Upon finished adding all the stocks, click on “**Update**” button at the top section of the right frame.
4. Page will be directed back to the Static Price module.

Delete Counters

- a. Click on the watchlist name under “**List**” at the top section of the right frame where the counters to be deleted exist in.
- b. Check the “**Delete**” checkbox of the counters to be deleted.
- c. Upon finished checking all desired counters, click on “**Update**” button at the top section of the right frame.
- d. Page will be directed back to the Static Price module.

LIMIT MODULE:

You are able to view live buy/sell limit balance at Static Price Price and Streaming Price pages. Your limits will be updated after each trade submission.

e. Streaming Price

This module enables you to view streaming live prices and submit orders for markets you have access to. You can select appropriate filter options to filter the counters displayed. The functions available in this module are very similar to those at Static Price module with exception that for this Streaming Price module, the prices are live streaming and there is additional information available for the counters.

To access to this module, click on “STOCKS” > “STREAMING PRICE” at the top menu bar.

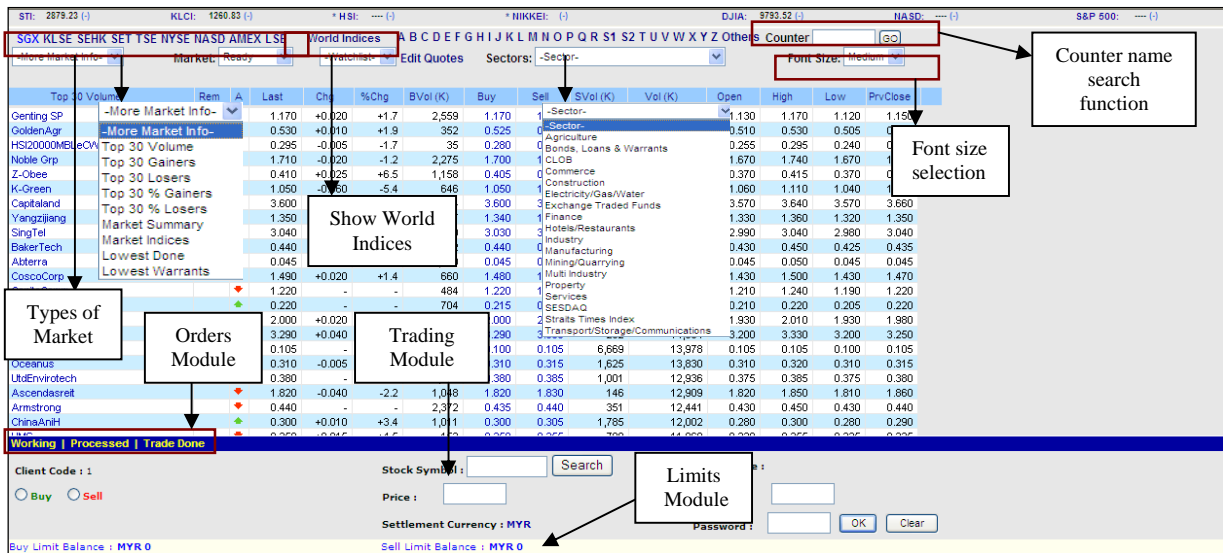

Figure 3-11 Streaming Price Module

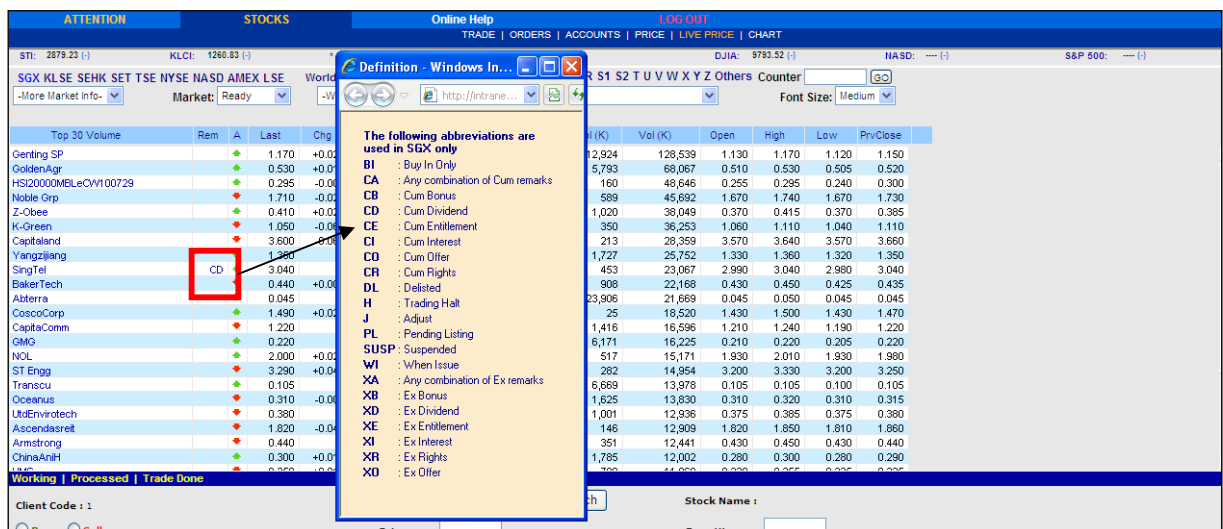

Figure 3-11 Streaming Price Module

A list of SGX abbreviations will pop-up upon clicking on the “Rem” column of SGX counters at both **Static Price** and **Streaming Price** module.

- Mouse over some of the column headings to view their definition.
- Right-click on a counter’s to view additional information.

RIGHT-CLICK FUNCTIONS:

These functions enable you to view additional information of a selected counter.

For SGX counters, additional information available is: Time & Sales, Trade Summary, Stock Summary, Intraday Chart, Trade Distribution Chart, Volume Distribution Chart and Advanced Chart. (Note: Currently additional information is only available for Live Price Subscriber)

LIVE PRICE AGREEMENT FUNCTION:

The Agreement function is necessary for all clients having access to Live Price market data for the Hong Kong Exchange as well as the US Exchanges (NYSE, NASDAQ, AMEX) respectively.

You can access the Agreement in respect to the different Exchanges via the Streaming Price and Static Price modules.

i) Agreement function at Streaming Price Module

ii) Agreement function at Static Module

 *Tip: - You would only need to agree once per Exchange (where applicable) via either the Streaming Price or Static Price Module.*

f. Chart

This module enables you to display “Daily” or “Weekly” or “Monthly” chart for a selected counter or indices.

To access to this module, click on “**STOCKS**” > “**CHART**” at the top menu bar.

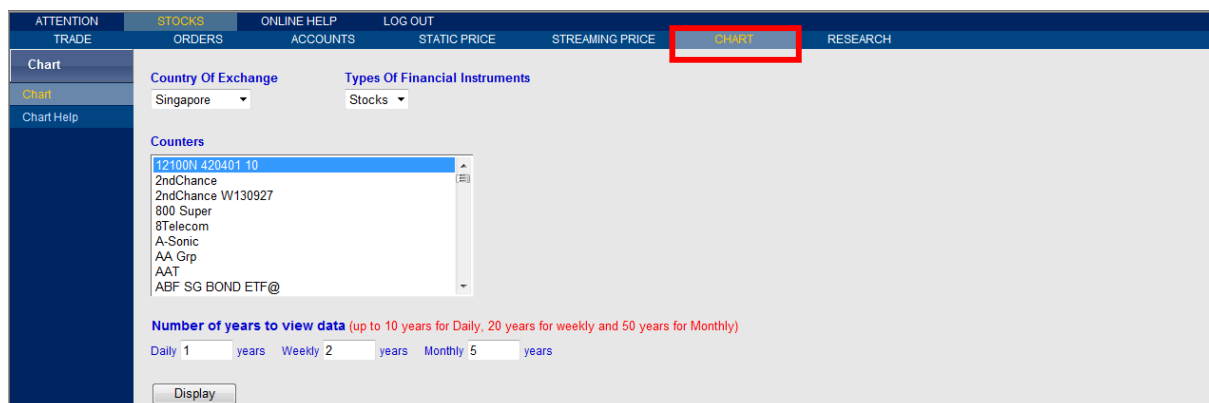

Figure 3-11 CHART module

View Chart: (*Refer to Error! Reference source not found.*)

1. Select a country from the drop down box “**Country of Exchange**”.
2. Select a counter from the dropdown menu selection box.
3. Enter the number of years to view data.

**Note: Default is 1, 2 & 5 for Daily, Weekly & Monthly respectively*

4. Click on “**Display**” button to display the chart:
5. Select a style to display chart: *Bar, Candle Stick, Line, etc.*
6. To add indicators, first choose desired indicator from relevant drop-drop and then click “**Add**”.
7. Click on “**Chart Help**” for help topics.
